*Allen's P.C.D.*  
**Public hearing addresses water  
issues affecting Central Valley**

*2620*  
The CALFED Bay-Delta Program will hold a public hearing in Fresno, Wednesday, April 22 at the Ramada Inn on E. Shaw Avenue.

There will be an informal question-and-answer period from 6-7 p.m. The formal hearing will begin at 7 p.m.

Area residents are encouraged to attend and provide input on three potential solutions to environmental and water management problems associated with the Bay-Delta system.

"Communities in the Central Valley have a big stake in the

Bay-Delta system," said Lester Snow, executive director of the CALFED Bay-Delta Program. "Farming and urban communities depend on a reliable, affordable and high quality water supply for the livelihoods. That's why it's so critical they be involved in the decision-making process."

In addition to giving oral comments at the public hearing, written comments may be sent to CALFED, 1416 9th St., Suite 1155, Sacramento, CA 95814.

For further information, call CALFED at 1-800-700-5752.
